Someone Please Write This

Will someone please write this story? I have so many ideas but I don't have the time or the creativity to write this in detail. Keep in mind if you decide to write this that you don't have to use everything in here, just the parts u like. Don't forget to PM me the link to your story if u write it. And COMMENT!

Diana on balcony thinking about Batman

Flash sees her and tries to cheer her up

She is about to tell him what's wrong when there's a loud crash and the lights go out

They go find j'onn

J'onn tells them Batman was fixing something on the outside of the watchtower when there was a loud crash and then the power outage

Batman's communicator is dead

J'onn reaches out telepathically

Batman doesn't respond

They find Superman and he goes and gets Batman

Batman doesn't have a heart beat

They try CPR and an AED nothing works

Wonder woman calls on Zeus and strikes Batman with a lightning bolt

It starts his heart again

They let Batman rest in the hospital room

Wonder woman sits by Batman and they have some kind of bonding moment

Evil villain takes over monitors on watchtower

Calls himself timekeeper

Says that every hour a new challenge will present itself and the Justice league has to conquer it

Screens go dark

Superman comes in the room and Bruce asks about the power

Superman says there's no way to get it back on because timekeeper has taken control

They leave Batman in the room to go Prepare for whatever timekeeper is about to throw at them

Batman gets locked in the hospital room by timekeeper and has to fight off the medical robots

The others try to break into the room to help him but the glass is bulletproof

Batman gets beat up but eventually he summons all his strength and overpowers the medical robots

Suddenly they power down

Batman deduces that they powered down because the hour is up

Now they have an hour to rest

The door unlocks and they all rush in to help a beat up Batman and attend to his injuries

While WW helps B with his injuries they talk about how worried she was

In the background GL and J are arguing about how to defeat this guy

GL says find the guy and take him out

J asks how and GL doesn't have an answer

J says they'll just have to play the game

Flash makes a comical remark

B chimes in and agrees with J

Ww remebers back to ladt week

flashback

Flash suggest a game of truth or dare

Everyone disagrees and says flash needs to take this seriously

Diana_ in hopes of getting to know Bruce better agrees with flash

They talk everyone else into playing

Flash starts

F asks Sup his real identity

Superman is relevant the. Decides he's among friends and says Clark Kent

Sup asks Hwk Hwk says dare

Sup dares Hwk to squak whenever someone says her name

Flash says her name and Hwk squaks

Hwk to GL

GL goes truth

She asks if he ever had a blankie growing up and how long he kept it

GL says til he was 15 everyone laughs

Gl to J

J says truth

GL asks who he would kiss marry and kill out of the group

J says kiss WW marry Hwk and kill Flash

Flash laughs it off

J to Diana

Diana says truth

Same question

She answers kiss flash marry Bruce and kill Hwk girl

Hwk girl takes offense flash sayss it's only a game

Diana to Batman

Dare

Reveal Identity

Batman says truth

Diana says what's your real identity

He reveals himself as Bruce

Flash Hwk and GL didn't know

Bruce to Flash

Flash says dare

Kiss Hwk girl

GL freaks out

B scoffs that he knew they were in a relationship

Everyone gets excited

Flash dares Bruce to kiss Diana

He does

Everyone is silent afterwards

Diana blushes

end of flashback

They see that it's almost time for round two with
timekeeper

Suddenly the power comes back on but the lights flash like strobe
lights

It's hard to focus

This round is to test flash

Flash gets separated by a locked door

Flash has to put out fires

He runs really fast around them and sucks out the oxygen to put them
out

When he's done the door unlocks

another flashback

Hwk girl and GL agree a little to quickly

Batman is reluctant

WW is okay with the idea

J says he has a girlfriend

Flash says he doesn't have to do anything in the seven minutes if he doesn't want to

Flags lays out how he used to play it

The group would vote on two people that hated eachother

They have to either kiss or find out something new about the other person

If they do either of those they can come out when the seven minutes are up

If they don't do either they have to stay in another seven minutes

Everyone votes

GL and Hwk girl go in

Seven minutes later

They open the door and they are still kissing

WW and sup are next

Next up everyone decides on people who hate eachother

They vot WW and B

They go in the closet

WW asks which he wants to do

He says neither

She tries to break him down for one or the other

Nothing happens

They go in for another seven

Batman won't give in

Finally he kisses her to shut her up

When flash opens the door they aren't doing anything and he asks if they kissed or found out something new about the other

WW says that his favorite movie is Roman holiday

Everyone laughs and Batman wonders why she didn't say they kissed he deduces it was to hide their flirtatious relationship

A few more people go

end of flashback

then it's time for timekeeper

It's Hwk Girls turn to be tested

She has to defeat holograms of her own people

She comes back disturbed

another flashback

Next up is the mind reading game

J has an unfair advantage

Bats knows because of detective work

Wonder woman knows what Batman is thinking by the way he is looking at her

She says something different tho to protect him form embarrassment

Flash can't guess anything neither can GL Sups or Hwk girl

end of flashback

Gls turn to be tested

He has to make the right shapes with his ring to stop bombs from going off

They sit in silence

Bats and WW talk

Bats asks why she didn't tell about the kiss back when they played the games

She says she didn't want to spoil it

He asks how it would spoil it

She says that by sharing the fact that they kissed took away from the intimacy of the moment

Next up is Superman

He has to fight Lois Lane hologram

He can't do it

He gets beat up by her

He passes the test though because it was a test of the heart

Next up is j'onn

He has to repeat what he did on mars in a simulation

Next is WW she starts fighting robots but then gets transported somewhere

The doors get unlocked and no one can find WW

The power is turned back on

Batman uses the computer to trace WW

He can't find d her

He doesn't give up tho

When Superman tells him to quit ww S location is found

She's in Greece

They find her about to be sacrificed to the gods by Circe

Circe was the timekeeper

They defeat Circe but WW is beat up

Batman takes care if her medically

Batman then falls asleep in the chair next to her bed

When we wakes up Superman talks about how Batman never gave up and he basically saved her from Circe then saved her life during the operation when things weren't looking good

WW can't believe it

She confesses to sups that just two days ago she was all sad because she didn't think Batman loved hr

How could I have been so blind she says

Superman leaves

She takes Batman's sleeping hand

He wakes up

She asks him to lay with her on the hospital bed

He does and he's really tired

They cuddle up

WW is happy

Sidenote

Each of the tests was different

Bats- strength

Flash- problem solving

Gl- test of mind

Hwk- test of will

Suoerman- test of heart

J'onn- test of greater good

But it was all a rouse to get WW by herself to kidnap her

End
file.
